

PREMIUM DATA CENTER & **HOSTING SOLUTIONS**

EMPOWERING YOUR BUSINESS SOLUTIONS
ACROSS THE WORLD

Twin data center locations central to Amsterdam, The Netherlands

DATA.FACILITIES
For Data Center Innovation

SPK1

Located in the heart of the Rotterdam region, our Spijkenisse data center is our flagship facility. With room for 320+ full size cabinets, a 630kVA scalable power grid, and N+1 power and cooling infrastructure, you will have ample capacity for growth and expansion.

<i>Square Meters</i>	:	930 m2
<i>Building</i>	:	4.182 m2. building
<i>Floor Load</i>	:	1500 kilograms per square meter
<i>Ceiling Height</i>	:	~3m, above raised floor
<i>Roof Rights</i>	:	Roof rights available with satellite space
<i>Line of Sight</i>	:	100%
<i>Above Sea Level</i>	:	+0.80m
<i>Fiber</i>	:	Two fiberentry points in to the building
<i>Remote Hands</i>	:	Available 9x5x5 free of charge.
<i>KVMCart</i>	:	KVM carts or Remote KVM available for free upon request

ENVIRONMENTALCONTROLS

<i>Fire Suppression</i>	:	Tyco LOOP 500 / Inergen
<i>HVAC</i>	:	A/C units maintain a climate of 28 degrees celcius (+/-2) and 30-60% humidity, N+1 redundancy. Cold Aisle Containment

SECURITYSYSTEMS

<i>Security Systems</i>	:	Card key access, alarm & key monitoring, and CCTV & IP-CAM surveillance
-------------------------	---	---

POWERSYSTEMS

- Power Redundancy* : ABB/Newave PowerWave 33
- UPS & PDU Specs* : 200kVA units backed by a battery chain that offers an autonomy of 12 minutes. N+1 redundancy
- Standby Generator* : Dedicated Perkins Generator

DATA.FACILITIES
For Data Center Innovation

SPK1

CONNECTIVITY

- Data Facilities MMR* : Netrouting, Level(3), Ziggo/UPC, NL-ix, KPN Eurorings, AMS-IX (via partners)
- Metro Ethernet* : Data Facilities managed Metro Ethernet, 10Mbps – 10Gbps (MPLS/VPLS)
- Transport* : Data Facilities managed Fiber Network 10Mbps – 10Gbps (MPLS/VPLS)
Unmanaged Wavelengths available
- Network Capacity* : Data Facilities has over 320Gbps of IP and transport capacity with connectivity to major data centers in Amsterdam (NL), Rotterdam (NL), The Hague (NL), Zoetermeer (NL), Stockholm (SE), Frankfurt (DE) and Miami, FL (US)
